From the church family . . .

Thank you for the service of those parish members on the St. Stephen's Search Committee and for the excellent leadership of the committee chair Louise Cummins. We greatly appreciate your time and talents that you lent to your parish family. Serving on the committee in addition to Louise were Larry Burt, Stephanie Hernandez, Carrol Holley, Andi Howard, Susan McCutchin, Mike Mezack, Britt Pharris, and Maggie Seymour.

Let us know . . .

Area churches are dependent on their parishioners for information about hospitalizations. Local hospitals do not notify church offices (as they once did) when patients from various congregations are admitted. Hence, St. Stephen's request: Let us know when you or someone in your family is hospitalized.

Newsletter deadline is the 10th of each month for entries in the next month issue.

Vestry will convene July 19 at 5:30 PM for their next monthly meeting.

Stuff 'n' Fold to prepare the next newsletter for mailing is the last Thursday of each month – July 29 for the August issue – at 10:30 AM.

Wednesday Holy Eucharists resume

Beginning July 28, the 5:30 PM midweek service will again be the Holy Eucharist with Service of Healing (instead of Evening Prayer). The service will include A Litany of Healing, anointing, and communion around the Holy Table.
